Does anyone know where the new system font proposal has been moved to?

**Keith Obrien** 2:39 PM

Does anyone know where the new system font proposal has been moved to?

**Lori Cole** 2:43 PM

I think so but I remember seeing a new version of this somewhere? I think in my 1:1 with Lori I saw a version.

Loving the new direction this is going. Thoughts on whether we should include Project Clover in the proposal or leave that as a separate discussion?
